

PETERBOROUGH CITY SOCCER ASSOCIATION

REGISTRAR'S REPORT

Thank you everyone for being such a wonderful, supportive and patient group of volunteer managers and coaches.

Without you, the players would not be playing.

Thank you to all the student volunteers who came out and helped when asked to work for their school volunteer hours.

As always it is greatly appreciated!

The 2016 soccer registration went really great and organized. Teams worked really hard to comply with all needs and deadlines.

In 2016, PCSA had 21 teams in the long term player development program of U7-U12 age, 10 youth teams U13-U18 age, and 3 senior teams. All combined for a total of 517 registered players. Overall, registration is up since 2015 and I hope that we can continue to grow for 2017.

*Have a safe and happy holiday with
family and friends!*
