## **REVIEW OF LTPD AND COMPETITIVE TEAMS**

---

Peterborough City Soccer Association fielded 33 representative teams from U8 through to Senior in 2016, that's one more team than the previous year. These teams played in the East Central District Soccer League Festivals (3 teams), Durham Region Soccer League (17 teams), York Region Soccer League (5 teams), Central Girls Soccer League (4 teams), Huronia Region Soccer League (1 team), Ontario Women's Soccer League (two U21 Women's teams) and the Ontario Soccer League (Senior Men). The LTPD matrix for the U6/U7 development program does not permit games against other clubs.

Our U8 teams (3 teams) participated in the bi-weekly ECDSL district festivals hosted on a rotating basis by the three participating clubs (Peterborough, Lindsay and Port Hope) while the U9 - U12 teams played in the DRSL (17 teams). There were no scores or standings in these divisions, which permitted coaches to focus on player development instead of results. Games were still challenging and competitive, it's just that there was less emphasis on the final score. Success at this age is measured by player development and retention.

In accordance with the OSA league structure, all U13 teams were required to compete at the District level while our U14 - U18 and Senior teams were assigned to the appropriate District (YRSL, HRSL) or Regional (CGSL) leagues according to their previous playing history, with most teams enjoying competitive soccer close to their skill level.

All of our competitive-age teams (U13 and up) had a successful season and were great ambassadors for the club and the city in league, cup and tournament play. Most notably, the U13 Girls Maroon team (James Onusko) finished third in the league and earned promotion from the YRSL to the CSL. They also won the league's McGarrigle Cup.

The U14 Boys Maroon (Craig Smith) were runners-up in YRSL Div. 1 and reached the semi-final stage of the league cup competition as well as the Peterborough Challenge. They won gold at the Woolwich Invitational Tournament.

The U16 Girls (Mike Everson) were runners-up in a strong 16-team CGSL league. They won their division at the Peterborough Challenge Cup and they also picked up gold at the Ottawa Showcase of Champions.

The U17 Boys (Biren Patel) took first place in the YRSL Tier-1 league and earned promotion to the CSL. They were runners-up in the YRSL League Cup. In addition, they won gold at the Ottawa Icebreaker Tournament.

The Senior Women had two U21 teams (John Whiston, Vic Waselenko) in the OWSL, finishing a respectable fourth and sixth, respectively, in the Central Region East division.

The Senior Men (Stan Bombino) had a frustrating year in the OSL Central Region East Division where 12 of their 14 games were decided by a margin of 1 goal or less. They won one game, tied six and lost seven times.

The 2016 league and cup final standings for competitive age teams (U13 and up) and team placement in 2017 are as follows:
