Maximum goal spread is (+/-) 5 per game

Games will be 2 x 25 minutes long with a 5-minute break at half-time. Format is 11 vs. 11.

After two round robin games, teams are ranked within their groups based on points (and tie breakers if necessary).

Team A1 gets a bye directly into the semifinals.

\*No points are awarded for quarter-final games. The losing team is eliminated.

\*\*There is one Group A team that A1 did not play in the round robin. If that team wins its 1/4-final game it plays A1 in the first semi-final.

Otherwise A1 plays the lowest ranked quarter-final winner from Group B, based on the round robin.

The remaining two quarter-final winners play in the second semi-final game.

The semi-final Away teams will be swapped if this results in fewer repeats of previous matchups.

After 2 games, teams in Group C are ranked 1 through 5. The 4th and 5th ranked teams play in Game X. The losing team is eliminated. If Game X is tied after regulation time, it will proceed immediately to FIFA penalty kicks to determine a winner. No points or goal difference are awarded for Game X. The remaining 4 teams in Group C play a third game for points against a new opponent. Only one possible matchup ensures each team plays a new opponent. After the third game, the teams in Group C are ranked again, 1 through 4, based on total points over 3 games. The 1st placed team in each group plus a wildcard team (highest ranked 2nd place team) advance to the semifinals.

\*If the Wildcard team is from Group C then the Semi-final Away teams will be swapped.
