

Registrar's Report

2017 PCSA AGM

Thank you everyone for being such a wonderful, supportive and patient group of volunteer managers and coaches.

Without you, the players would not be playing.

Thank you to all the student volunteers who came out and helped when asked to work for their school volunteer hours.

As always, it is greatly appreciated!

The 2017 soccer registration was really great and fairly organized. Teams worked extremely hard to comply with all needs and deadlines.

In 2017, PCSA had 19 teams in the long-term player development program of U7-U12 age, 14 youth teams U13-U18 age, and 2 senior teams. All combined for a total of 547 registered players. Overall, registration is up since 2016 and I hope that we can continue to grow for 2018.

*Have a safe and happy holiday with
family and friends!*
