After 2 games, teams in Group C are ranked 1 through 5. The 4th and 5th ranked teams play in Game Q. The losing team is eliminated. If Game Q is tied after regulation time, it will proceed immediately to FIFA penalty kicks to determine a winner. No points or goal difference are awarded for Game Q. The remaining 4 teams in Group C play a third game for points against a new opponent. Only one possible matchup ensures each team in Group C plays a new opponent, therefore previous ranking is irrelevant. After the third game, the teams in Group C are ranked again, 1 through 4, based on total points over 3 games. The 1st and 2nd place teams in Group A, the 1st place team in Group C plus a wildcard team (next highest ranked team) advance to the semifinals.
