2013 AGM

Administrator / Tournament Chair Report

Thank you to all board members for their support and assistance that they have given which has allowed me to fulfill my duties. It has been an engaging and challenging year with a lot of hard work.

Administrator briefly:

- Being the person of contact for the club allowed me to keep bridges of communication open.
- Having a very relying webmaster has made the job more efficient.
- Passing promptly to the board the suggestions and feedback from membership has been always my goal.

Tournaments briefly:

- We only suffered for the Girls Challenge when the website wasn't ready and as a result of it we had fewer teams this year compare to the last year (61 compare to 77) which is still a great achievement. The rest were exactly the same (Boys had 76 team last year and this year). Festivals went well. Mark Forster might need some extra support (fewer teams from year to year). All Stars was a nice pilot project.
- The financial goal was set a bit high but still we were able to make it. Maybe a bit less revenue due to the fact that there were fewer traveling teams and more home teams compare to the previous year but that's great for home teams because after all tournaments are for the experience and exposure not just for fundraising).
- Next year we will be in unknown territory because it will be the first year the LTPD comes into effect and therefore only U13 teams and up will be playing in Tournaments. U8-U12 are in Festivals (shorter games, fewer games) which obviously will reflect in less revenues for the club but we will see.

**Thank you,
Fevri Pazari
Club Administrator**
