2013 AGM

Director of Coaching Report

In January, the PCSA board of directors approved the re-structure of the coaching organization within the club. This involved eliminating the Head Coach position within the club and creating a new position – Director of Coaching. The Director of Coaching carries similar duties and responsibilities of the Head Coach position along with added duties and responsibilities that will allow better communications with the board of directors and all coaching positions within the club.

LTPD – Going into 2014 the OSA - LTPD is in full effect. The PCSA Board of Directors, Director of Coaching and the some of the PCSA coaches within the LTPD age group have been working very hard to complete our program for the upcoming year. This includes the introduction of the PCSA Development Program for U6/U7 boys and girl's team and the LTPD program for girls and boys as outlined by the OSA from U8 – U12.

I would like to take this opportunity to thank Leanne McLaughlin, Roger Jenkins and Chris Entwistle for their hard work and long hours that they have dedicated to putting this program together.

PCSA Coaching Team – All positions have been allocated for the 2014 season. There are 28 teams in the PCSA for the upcoming 2014 season.

Technical Team – All technical team positions for the 2014 season have been allocated.

PCSA Academy – Now in the first year of operations, the academy has exceeded all expectation. There are 85 players registered. One head coach, one fitness and conditioning coach, goalie coach and two assistant coaches.

Yours in soccer,

Michael Everson
