

# Registrar's Report 2013 PCSA AGM

---

Thank you everyone for being such a wonderful supportive and patient group of volunteer managers and coaches.  
Without you, the players would not be playing.

Thank you to all the student volunteers who came out and helped when asked to work for their school volunteer hours.  
As always it is greatly appreciated!

The 2013 soccer registration went really great and organized.  
Teams worked really hard to comply with all needs and deadlines.

In 2013, PCSA had 11 teams in development program of U7-U10 age, 19 youth teams U11-U17 age, and 3 senior teams.

*Have a safe and happy holiday with  
family and friends!*
