2014 PCSA AGM

Thank you everyone for being such a supportive and patient group of volunteer coaches and managers. Without you, it would not be possible for our players to be playing this sport that they love.

A big thank you to all student volunteers who came out throughout the season to help with various activities, while earning school volunteer hours. As always, it is greatly appreciated.

In 2014, PCSA had 22 teams in the development program of U7-U12 age, 12 youth teams U13-U18, and 3 senior teams.

*Have a safe and happy holiday with friends
