

Title: *Technical Coach*

Company: *Peterborough City Soccer Association*

Peterborough City Soccer Association is looking for an energetic, positive and knowledgeable person as Technical Coach.

Job Description: *The Technical Coach will work along side our existing soccer coaches to help improve and develop our teams. The technical coach may lead sessions and/or train coaches to lead their own sessions in the most positive and productive manner possible.*

Criteria:

1. Plays and Loves the game of soccer.
2. Clear and effective communicator with all levels and age groups from 7 to 21.
3. Willingness and ability to demonstrate basic soccer skills such as passing, shooting, dribbling, running, jumping, throwing and catching.
4. Clear and effective planning and preparation skills. Punctuality is also a must.
5. Enthusiasm and ability to encourage and build confidence in players of all ages.
6. Knowledge of how players learn ie. Not all players learn the same way and thus the successful candidate must determine how to attain optimal results from individual players.
7. Open minded. Be able to accept others ideas and strategies.
8. Trustworthy.
9. Diplomatic. Must have ability to communicate with players, coaches and parents in a positive manner.
10. Patient and calm under pressure.

Requirements:

1. Learn to Train and Train to Train Certification.
2. Provincial C License is beneficial.
3. Playing Experience references (minimum of 3)
4. Coaching Experience references (minimum of 3)
