Volunteer of the Year

We had to deal with a sad event of the sudden passing of our facility person who was so dedicated to facility and to the club in general. He has hosted numerous board positions and was always present at all events. The the PCSA Board announces the late **Geoff Heal** as the recipient of the Volunteer of the Year award for 2018. Geoff made a tremendous contribution to the club in several ways, numerous hours, always available and willing to help, instrumental in running the facility and the canteen. We will make arrangements to pass on the plaque to the family- (we are retiring the plaque in his honour).

The Joanne and Mark Hogan Award is presented annually to one male and one female Peterborough City youth player "best representing skill in soccer, commitment to the game, team and club and team leadership".
