### **2019 AGM**

#### **Acting President/ Administrator / Secretary Report**

Regardless of the various challenges, I am grateful to all board members for their continuing support which as always has encouraged me in fulfilling my duties. It has been an engaging and challenging year with expected and unexpected issues, the most notable the resignations and vacancies on the board.

- As a person of contact I have maintained the communication via mail and email with leagues that we adhere to, with board members, coaches as well as club members.
- I have tried to work around issues arising during transition from one season to the other with the Power Up.
- Always GRATEFUL to our webmaster who continuous to do an exceptional job in promoting the club and informing the members.
- Tryouts went well although down one field AGAIN. Great teamwork with DOC in creation of the schedules. Fall sessions are continuing and plans are in place for next year to improve whenever possible. Winter sessions are being planned and scheduled by myself and the DOC.
- I worked closely with the board to meet the annual planning timelines.
- Major issue this year was the very wet weather at the beginning of the season. We overcame those issues thanks to everyone's patience and to the assistance of the scheduler. Keeping in touch with City Recreational department continues to be very important. Issues with Tournament allocation of the fields as back at Milroy.
- We will start as we speak the process of registering with the leagues for next season, with DRSA, DRSL, CSL, OSL, OWSL.
- I have assisted all board members in any task assigned including facilitating events, helping with panels, providing advice, updating regulation, interpreting Constitution.
- As club's secretary I continue to keep meticulous records of all meetings and special meetings.

**Thank you,**
