

Outdoor Sports Facilities - Safety Plan Guidelines

June 10, 2021

Step One Guidelines:

1. Hand sanitization upon entry of the facility is highly recommended.
2. Masks or face coverings are highly recommended on paths leading to parking lots, fields and other park amenities.
3. The only activities permitted on the premises are outdoor fitness classes, personal training and training for team and individual sports. Team sports must not be practiced or played at the facility, with the exception of training sessions (skills and drills) for members of a sports team that **do not** include games or scrimmage games. Activities that are likely to result in individuals coming within **three metres** of each other must not be practiced or played at the facility.
4. No patrons are permitted to be in the indoor areas of the facility, except as may be necessary to access a washroom, to access an outdoor area that can only be accessed through an indoor route or as may be necessary for the purposes of health and safety.
5. No more than **10 patrons and 2 coaches/trainers** may participate in an outdoor fitness class at one time, or as a group in personal training or in training for a team or individual sports.
6. No spectators are permitted to be at the facility. However, a person under the age of 18 years who is engaged in activities in the facility may be accompanied by one parent or guardian.
7. Players, coaches and spectators are permitted to enter the facility no earlier than 10 minutes prior to their start time and must exit within 10 minutes of their end time. Congregating in the parking lot will not be permitted.
8. Any person who enters or uses the facility must maintain a physical distance at least **three metres** from any other person who is using the facility. This includes coaches, athletes and spectators.
9. In a rare circumstance such as an injury requiring medical attention coaches and or trainers are required to wear [appropriate PPE](#) (medical grade mask approved by Health Canada and eye protection) if they are within three meters of a participant.
10. 10 patrons can train on a court or field as long as the court or field is large enough for the individuals to maintain the three metres distance at all times.
11. Fields and courts will not be permitted to be split to accommodate more patrons.
12. The renter of the facility must record the name and contact information of every member of the public who enters the facility and maintain the records for a period of at least one month. This includes coaches, athletes and spectators.
13. The renter of the facility must ensure there is active screening completed by every person who enters the facility. Use the [worker screening tool](#) for coaches and staff and the [customer screening tool](#) for athletes and spectators.

City of Peterborough Requirements:

1. Post Facility Safety Plan signage
2. Post screening signage at the entrance of each facility
3. Post physical distancing signage along narrow pathways and throughout the facility.
4. Continuously observe players and spectators to ensure they are following restrictions and create further guidelines (such as markings on bleachers) if they are not being followed.
