Peterborough City Soccer Association Policy & Procedures

1. Competitive and Development Teams

- 1.1. Teams shall be classified as Development (U12 and under), Youth (U13 to U18) and Senior (U19 and above, and Open age).
- 1.2. An interim list of players (ref. Section 1.7) for each Development and Youth team must be submitted by the team head coach to the Peterborough City Soccer Association (PCSA) Registrar on or before October 15, following tryouts/orientation. Up until April 15, the team head coach can add players and he may release players in the event that:
 - a) A player withdraws from the team due to an injury or medical condition;
 - b) A player does not attend a minimum of 50% of scheduled fall and winter training and practice sessions.

A finalized list of players for each team must be submitted by the team head coach to the PCSA Registrar on or before April 15th of each outdoor playing season or by the date set by their league, whichever is earlier.

- 1.3. A finalized list of players for each Senior team must be submitted by the team head coach to the PCSA Registrar on or before May 15th or by the date set by their league, whichever is earlier.
- 1.4. Each player on that list must be in good standing with the PCSA at that time, including no outstanding monies owing and no unresolved discipline issues.
- 1.5. Each player signed must provide the PCSA Registrar with all the necessary information and documents and sign all proper forms as requested by the registrar. Players under 18 years of age must have their parent/guardian sign all these forms.
- 1.6. Players can be called up to play at a higher team or age classification. Coaches must cooperate in this calling up.
- 1.7. The following table provides a guideline for the minimum and maximum number of players to register per team.

Age Category	Game Format	Minimum Players	Maximum Players
U7 and under	5 vs. 5	n/a	n/a
U8	5 vs. 5	8	10
U9 - 10	7 vs. 7	9	12
U11 - U12	9 vs. 9	12	16
U13 – U18	11 vs. 11	13	18
Senior Teams	11 vs. 11	15	25

2. Recreational Teams

- 2.2. PCSA may support external recreational club teams by way of equipment and player development on a cost recovery basis. In this case the teams and the players would be registered with the recreational club.

Revised November 16, 2021

3. Coach Selection

- 3.1. The PCSA Board, based on the recommendations of the coach selection committee (President, Vice-President, Director of Coaching, Director of Representative Teams, and other Board appointee(s)), will appoint team head coaches annually.
- 3.2. All coaching positions shall be advertised on the club website and/or in the local media every year on or before September 1st. Coaches shall be selected and notified prior to the PCSA fall tryouts.
- 3.3. Coaches' meetings shall be arranged by the PCSA Director of Coaching over the course of the year to provide coaching education, to deal with mutual concerns, and to enhance two-way communication with the PCSA Board.
- 3.4. All new team officials (coaches, assistant coaches and managers) must provide a current police check, dated no earlier than 3 months prior to their appointment, within 30 days of their appointment. Returning team officials must provide a police check that is dated no earlier than 12 months prior to the date that their application is submitted to the PCSA.
- 3.5. All team officials must comply with the PCSA Volunteer Screening process.
- 3.6. All team officials must be registered with the PCSA, the East Central Ontario Soccer Association (ECOSA) & Ontario Soccer (OS). This registration will be completed by the PCSA Registrar.
- 3.7. All teams shall have a representative at all PCSA team officials' meetings (e.g. managers' meetings, coaches' meetings) during the year.
- 3.8. All PCSA coaches shall adhere to the PCSA Coaching Code of Conduct. All coaches shall sign and submit a PCSA Coaching Code of Conduct form to the PCSA Registrar annually along with their registration form.
- 3.9. Every PCSA team official will be given a copy of the PCSA Policy and Procedures document each year at the time of their registration.

4. Tryouts

- 4.1. PCSA team tryouts are held each fall. The PCSA Board will set the amount of the tryout fee annually.
- 4.2. The tryout will be held in accordance with PCSA policy, rules and regulations. The tryout process shall be conducted fairly and objectively while acknowledging the sensitivities of the players. Competitive tryouts (i.e. when there are more players than there are team positions or when there is the prospect of having Tier 1 and Tier 2 teams) shall be conducted by a panel of three coaches comprising the team head coach and two additional coaches who shall be approved by the PCSA Director of Coaching.
- 4.3. Any releases at the end of the "final tryouts" shall be made with a personal "one on one" discussion with each player after the team head coach's decision is made. This can be quite an uncomfortable time for the player, parent and coach and it must be done in a professional manner. The team head coach could involve the PCSA Director of Coaching in cases of extreme sensitivity. Exceptions to delay team player decisions shall require approval of the PCSA Director of Coaching. A player is not to be released from the responsibility of the team's head coach until all possibilities for placement of the player with a PCSA team have been explored.
- 4.4. Tryouts are open to all players of the appropriate age and to any underage players who have complied with the Club's "Advanced Level of Play" (Policy # 5).
- 4.5. No player will be informed of his/her individual status prior to completion of that team's final tryout session. All players who attend PCSA tryouts will be notified, by that team's head coach, of their player status with the team(s) they have tried out for.

Revised November 16, 2021

- 4.6. Each player will be evaluated based on the following:
- a) Physical fitness (speed, strength, endurance);
 - b) Technical (dribbling, passing, receiving, heading, throw-ins, etc.);
 - c) Tactical (knowledge of the soccer rules that apply to their particular age group);
 - d) Psychological (attendance, attitude, effort, assistance to others, sportsmanship, etc.).
- 4.7. Coaches must prepare an information sheet to be handed out to each tryout participant or their parent/guardian by the second day of tryouts. This shall include but is not limited to:
- a) Coach's name, contact information, coaching qualifications & experience;
 - b) Approximate number of players to be selected;
 - c) Number of team practices per week that will be required;
 - d) Practice attendance expectations and consequences for non-compliance;
 - e) Details about players being considered who couldn't attend tryouts;
 - f) Preliminary Budget & Sponsorship, if known;
 - g) Fundraising expectations;
 - h) Equipment to be purchased, tournaments, bussing, if known.
- 4.8. Single Team Selection
- 4.8.1 The head coach for the team must identify at least the minimum number of players (see section 1.7) at the completion of the fall tryout session and contact the players to notify them that they have been selected.
- 4.8.2 The head coach for the team must contact the players they have selected within seven (7) days of the last scheduled fall tryout session. (This can be done "one on one", by telephone or by e-mail). See 4.3 above.
- 4.8.3 Those players who are not selected yet but are still being considered will be notified within seven (7) days after the last fall tryout session to come to the winter and spring practices for that team. (This can be done "one on one", by telephone or by e-mail).
- 4.8.4 Players no longer being considered after the last scheduled fall tryout session could be considered for placement on an older team where space permits. Otherwise the players will be notified within seven (7) days after the last tryout session and will be considered to have been released from the PCSA. (This can be done "one on one" or by telephone). These players are free to play for another club (see section 4.3).
- 4.9. Multiple Teams in Single Age Group
- 4.9.1 Two (2) or more teams will be formed only when the following criteria are met:
- a) Enough players are interested and talented to form more than one (1) team that would be competitive within the playing leagues.
 - b) Enough interested and qualified coaches are available to adequately staff the needs of both teams. A list of such coaches should be compiled by the Coach Selection Committee prior to tryouts.
- 4.9.2 When two (2) or more teams are formed, they will be formed on an A, B and C team concept.
- 4.9.3 Every effort will be made by the PCSA Board and the team officials to create an atmosphere which fosters close and friendly relationships between all the teams in the age group, encouraging the teams to help each other improve and develop. These efforts may include scheduling practices at the same day, time and field if possible, so that the players can interact. Team coaches should try to attend each other's games when possible.
- 4.10. Multiple Team Selection
- Following the second day of tryouts, the PCSA Director of Coaching will determine the number of teams that will be formed at each age level and the number of players per team, based on the number and quality of players that registered at tryouts.

Revised November 16, 2021

Where it is decided that there will be more than one team in a single age division, team selection will be performed as follows:

4.10.1 The 'A' team coach appointed by the PCSA coach selection committee is the head coach for all teams in the age division and oversees the selection of each team. Following the final tryout session, the 'A' team shall be formed with the highest ranked players by the 'A' team coach. The 'B' team shall be formed by the 'A' team coach (or by the 'B' team coach if one has been appointed), with the highest ranked remaining players.

In the case of development teams, it is also acceptable to form two or more balanced teams with the approval of the PCSA Director of Coaching.

4.10.2 All players shall be notified of their team placement following the final tryout session, or at the latest, within the next 7 days. Players on the 'B' team will be notified by the 'A' team coach or by the coach for the 'B' team if one has been appointed.

4.10.3 All 'A' team and 'B' team players will remain under the direction of the 'A' team coach and both teams will train together until the appointment of a coach for the 'B' team is confirmed.

4.10.4 Those players who are not selected but are still being considered will be notified within seven days after the last tryout session to come to the winter and spring practices for that team. This can be done "one on one", by telephone or by e-mail.

4.10.5 All players not selected to either the 'A' or 'B' teams after the last scheduled tryout session will be notified within seven (7) days after the last tryout session and will be considered to have been released from the PCSA. These players are free to play for another club (see section 4.3). When multiple PCSA teams exist, both 'A' and 'B' team coaches will divide the list of players not selected and notify them.

4.11. Team coaches and managers should meet with their players and parents before these players register with the PCSA to outline the coach's intention regarding game playing time. (Also see section 4.7).

5. Advanced Level of Play (Playing-up)

5.1. It is the policy of the PCSA that players must participate at their own age level, provided an age appropriate team exists, up to and including the U12 level. This should benefit even the most highly skilled players through increased safety (reducing the likelihood of height/weight mismatches which can increase with "playing-up") and through their increased confidence by playing against players their own age.

For U13 and older players, the issue of playing up will be reviewed, on a case-by-case basis, with the focus on the benefits to the player, then the team(s), and finally the PCSA. A mid-season and post-season review with the player, the team head coach and the PCSA Director of Coaching (or designate) should take place as part of the process.

At any point during the selection process, if parents, players or PCSA officials have concerns with the process, they should submit them in writing to the PCSA Board.

5.2. Any individual wishing to play with the PCSA must first try out for the PCSA team at their age level.

5.3. Players wishing to "play-up" an age group are required to begin tryouts at their appropriate age group on day one and day two and then spend two days in the older age group, once they receive permission from the PCSA Director of Coaching.

5.4. Club players wishing to play up an age group shall follow this procedure:

Request to be granted exceptional player status by making a written application to the PCSA Board and have it signed by the player and the player's parent / guardian (if the player is under 18 years of age).

Revised November 16, 2021

The written initial request must be received by the PCSA Board for approval, if the player has not been previously approved by PCSA for this particular team, at least one (1) week before the first tryout date. If the request is submitted after the fall tryouts, the application must be submitted before the complete team registration deadline. (See "Player is Deemed Exceptional" in section 5.5 and Registration section 6.3)

5.5. Player is Deemed Exceptional

5.5.1 Following receipt of a written request to play up an age level, an evaluation committee consisting of the PCSA Director of Coaching, President or Vice President, and one other Director appointed by the President, will evaluate each request upon its own merit.

5.5.2 The evaluation will reflect the following three interests, the player(s), the team(s) and the club. At least two (2) of these interests must be satisfied in order for a player to be deemed exceptional.

5.5.3 The evaluation will include the following elements:

- a) The PCSA Director of Coaching will arrange an appropriate evaluation including game situations, if the request is granted.
- b) The evaluation committee may solicit additional expertise to help make an informed decision.
- c) The coaches of both teams must be consulted during the evaluation.

5.5.4 In order to be deemed exceptional, the player must be determined, by the committee, as being among the best five (5) players in the older age group.

5.5.5 When there are two (2) teams in an age group, the request to play up must be from an appropriate age group to the "A" team in the older age group. (i.e. from U14 to the U15A team).

5.5.6 If the player is approved to play on the older team, he/she will not be required to play or practice with the age appropriate team.

5.5.7 Any player deemed to be exceptional must be re-evaluated each subsequent year in order to retain this status.

5.6. Player Playing at the Provincial Level

Individual players selected to play on any Ontario Soccer/Canada Soccer team will be governed by the respective OS/CS guidelines.

6.2. All players and team officials must be registered on the appropriate OS registration forms that are supplied by the PCSA.

6.3. By November 1st of each year, the player's completed registration form and the first instalment of the registration fee must be submitted to the PCSA registrar. The remaining registration fee is due by February 15 of the following year. The amount of each instalment is set by the Board, and is based upon the approved player registration fee.

Registration fee instalment payments are non-refundable after the instalment due date if the player withdraws for any reason. A written request for a partial refund may be considered by the Board in exceptional circumstances (a doctor's note may be requested).

6.4. A player who has not completed the requirements for registration by November 15 is deemed to have forfeited their place on the team and may be replaced by another player, at the discretion of the PCSA Board.

6.5. New players registered between November 1 and February 15 will attach full payment as per section 6.3. Players registered after February 15 will attach full payment.
