### **2020-21 AGM**

#### **Administrator Report**

We have countered an unprecedented period not just for soccer but in life in general however I can confidently state that regardless of the various challenges, this club was able to persevere and succeed where others couldn't, and I am grateful to all board members for achieving that. I have tried as always, my very best to fulfill my duties as per their expectations. It has been an engaging and challenging couple of years with totally unexpected issues, but we made it.

- As a person of contact I have maintained the communication via mail and email with leagues although it was tough that we could not adhere in them however we were able to attend the ECDSL within the District.
- I have tried to work around issues arising during transition from various rep leagues to one district recreational one.
- Always GRATEFUL to our webmaster who continuous to do an exceptional job in promoting the club and informing the members.
- Tryout's schedule has been set, city has been informed, all is in order, I just wait for the new board to have a look at it too. Great teamwork with DOC and my colleague co-scheduler in creation of the schedules. Fall sessions have been planned too for outdoors and indoors. Winter sessions are being planned and scheduled in cooperation with the panel and the DOC.
- I worked closely with the board to meet the annual planning timelines.
- Major issue this year was the COVID crisis and the fact that we did not train or play for a long period however we overcame those issues thanks to everyone's patience and to the assistance. Keeping in touch with City Recreational department and public work continues to be very important.
- We will start as we speak the process of figuring out registering with the leagues for next season, with DRSA, DRSL, ECDSL, OSL, OWSL and not sure about CSL?
- I have assisted all board members in any task assigned including facilitating events, helping with panels, providing advice, updating regulation, interpreting Constitution.
- As club's secretary I continue to keep meticulous records of all meetings and special meetings.
- As co-scheduler and co-facility person I continue to work the best I can to achieve the goals we have set for ourselves.

- It is extremely important to find out the impact the new matrix will have in the club.
- We should respect the Constitution and regulations of the club to avoid any issues or negative optics.
- To conclude, I am honoured to be part of the club and happy to continue to give my contribution.

**Thank you,
