

2021/2022 AGM -DOC Report

Let me start by saying thank you to the Board for having the confidence in my abilities and giving me the opportunity to help develop PCSA and the players for the future.

PCSA succeeded in getting the kids playing this season in various leagues in our area. It was very gratifying to see our players back on the pitch and enjoying themselves.

We were able to host both the boys and the girls tournament after they were canceled due to Covid. We also ran the PCSA / City of Peterborough soccer camp after a 3 year absence with good success. Our teams performed well and have multiple teams in the top 2 of DRSL league. Results are attached for the most up to date with a few games still pending.

A big thank you to the coaches for the 2022 season. Without all of you and the love you have for the game of soccer we simply would not have a club for the kids. I want to say a Big Thank you on behalf of the Board and myself for all of the time, effort and dedication. My utmost gratitude to our Technical coaches who put so much into helping our teams improve.

Lastly I would like to mention that every great coach has a support staff of assistants and managers who do so much of the behind the scenes work that is critical. So a Big Thank you to all of you who may not be in the spot light but your efforts are noticed and appreciated by the Board, Parents and the Kids.

I look forward to the upcoming season and making the 2023 season even better for all our members.

Thank you for all your efforts,
Biren Patel
PCSA Director of Coaching

Team	League	Standing as at Sept 12	Season complete	PCSA Challenge Tournament Placement
U13 Girls	DRSL (U13/U14)	1/5	YES	
	T1
